## **Pismo State Beach Monarch Butterfly Grove Opening Day**

Pismo State Beach Monarch Butterfly Grove welcomes back the monarch butterflies. Opening Day celebration will be Saturday, October 29, 2011 with festivities taking place between Noon and 2pm. The event will be opened with remarks from State Park officials, and follow with fun activities for the whole family.

The Grove is located on the west side of Highway 1 just south of Northbeach Campground in Pismo Beach. It will be staffed daily between 10am and 4pm, with docent programs occurring daily at 11am and 2pm.

The Oceano Dunes District of California State Parks welcomes everyone to this free public event. The Monarch Butterfly Grove has recently undergone some exciting renovations, so come and see our new interpretive additions and learn how to bring Monarchs to your garden.
